CORRESPONDENCE:

Stephanie Rampacek: NJAWC has a change in hydrant rental rate beginning August 2021.
A credit was issued to Residents and Business's for 105 Hydrants.

ATTORNEY'S REPORT:

Joseph Youssef:
The Board of Commissioners and Fire Budget Election will be held April 20, 2021 at the Fire house.
Our Re-organization meeting will be held at our May meeting.
Middlesex County needs 160 hours to finalize ballots.
470 mail in ballots were delivered to residents of Jamesburg.
D Walker Question: In the event that the budget fails and then needs to be revied by council what can we do as soon as we get the election votes so that we don't have to wait for the next commissioner meeting?
Joe: By statue the town has 30 days to make any corrections to budget they feel may be necessary in the event the budget is voted down.

PRESIDENT'S REPORT:

Jonathon Rampacek:
Not a lot going on.
There was a brief discussion about the New Jersey Office of Clean Energy Direct Installment Program. The total cost to us would be about \$14,000 + -. Total cost for all of the work would be \$41,624, the project would include replacing all of the lights in the firehouse and the boiler downstairs and the AC unit. This will be a projected savings of approximately \$7600.00, so the project should pay for itself in about two years.
The contractor (Hutchinson Mechanical) will supply a document stating that they are exempt from the bidding process since they have already been bid out thru the vendor.

MOTION TO APPROVE TO MOVE FORWARD WITH THE CLEAN ENERGY PROJECT:

Pending document from Hutchinson Mechanical, & giving the Treasurer the approval to cut check in the amount of 50% of our responsibility after receiving mentioned document.

S Rampacek will re-number the requisition from 2020 to a new requisition number for 2021 since the architect hasn't done any work for us yet.
